THE OLDEST MOST SUCCESSFUL LEGAL REFORM GROUP IN THE WORLD

continues exposing corrupt incompetent Judges and Lawyers by educating, motivating and counseling victims and future victims. Unfortunately, the same few donate so much of their time and money. Unless that changes, we will never be able to complete the job. We need more help! If you can't give your time, then send us \$5 or \$500 to keep the cause going another 15 years. This newsletter is hard work to put together (there are so many stories of corruption, it's hard to choose) and expensive to mail. Of course, if you think the legal system works fine, let us know and we will take you off the mailing list. If you think change is necessary, please help!!! Send in your \$50 membership for 2005. There is a reason they fear us.
