**THE OLDEST MOST SUCCESSFUL LEGAL GROUP IN THE WORLD** will start its monthly meetings again. We hope all had a good summer. We at ALR have no objection to raising N.Y.S. Judge's compensation, but would like to include in the pay package additional accountability of judges. Judges (and lawyers) have the moral duty to clean out evil and corruption in the judicial system. The commission should require that all Judges receiving a pay increase pass a state administered psychological test to determine if they will have honesty and integrity in their profession. We are entitled to the best quality people to handle the tremendous power of the Judiciary. Many government employees are now required to have psychological evaluation prior to their appointment. We would like these standards held to judges.\*\*\*\*\*Please donate to the cause\*\*\*\*\*

If a lawyer funneled money to a judge, it would be illegal; but if the money is a contribution to the judge's campaign during an election, it's legal, ethical and customary even though it creates the appearance of conflict and may undermine the courts. (Newsday editorial 9/7/10).

The Suffolk County District Attorney's office, run by Thomas Spota, has about a \$35 million budget to spend on prosecuting the public with 185 ADA's (whose starting salaries are \$45,000 + /yr.) We seldom have any comments, but when we courtwatched ADA, Philip Apruzzose, Esq. who brought a grandmother to court six times for allegedly resisting arrest, while his office dismissed claims against her attorney son-in-law. Has something gone awry? (ALR)

Back in early 2009, when ALR contacted David Grossman, Esq. regarding his 13 year old daughter's need for a new wheelchair, he told us to get lost and swore under oath that we caused him to lose his partnership. Well, he is about to lose it again---seven times in five years. Whose fault is it now? Grossman and his criminal lawyer, O'Rourke, enjoy a luxurious lifestyle, while Maria toils 24/7 to take care of his 3 children. Do the Suffolk judges who imputed Maria get a 40-hr. a week job really care about the children?
