No justice for Thomas Valva.

The states' child abuse hotline received many calls before Thomas Valva's death by hypothermia from overnight in his father's garage.

Judge Hope Zimmerman ordered that Michael Valva get custody of Thomas Valva & siblings. The mother got a no contact order and had to pay child support. According to school reports, Thomas suffered from blackeyes, lacerations, hunger, dirty body, urine-soaked clothes etcetera which were ignored by Suffolk Courts. Judge Hope Zimmerman and Attorney for the child, Thomas W McNally ignored these warnings. (*Lisa Flynn, Patch staff writer, February 23, 2020*)

How did this child slip through the cracks!!!
